Game Notes.....Paul Lamarre continues to swing a hot bat as he cracked his first homer of the season along with 2 doubles on a 4 for 4 night....speaking of hot bats, Mike Roberts went 5 for 5 with 7 RBI and is now 9 for 9 over his past two games... “Denim” Dave Blodgett picked up his first hit as a Bison....Blodgett showed up at Smith without a glove and really didn’t need one with all the errant throws that came his way....Dan Theirl also had a perfect night at the plate going 4 for 4 and with his unorthodox swing is evoking memories of the great Pete “Mad Hatter” Gfatter....Jake “MIA” Kress missed his 372nd straight game....Maria Batista did another great job behind the plate, but sure enough, after going to second base in the 6th for a bit of a break, took a line shot of the shins....kudos to Tom DiPaolo for showing up on a night where he had other plans....same can be said for another Bison legend Mike Clements for making the long trek from Taunton on a night when the Boys of Bison were hurting for players....there were actually two games being played in the MSEL tonight as the Dark Horses and the B2 Bombers were playing on Field 2 at Smith...next Bison game is Friday July 20th at Marine Park against Parsons Brinckerhoff
