Game Notes...the 15 year wait to get back to Charlesbank was well worth the wait...the newly renovated Ebersol Field was a pleasure to play on...thick manicured grass, smooth infield, in ground bases and lights that were actually on before the game started...Paul Lamarre had another great night at the plate but his play in left field last night has spawned another nickname for Lamarre...formerly known as "Rocker," Lamarre will now be known as Paul "The Adventure" Lamarre...Dan Theirl continued to use his speed to his advantage as he legged out an infield hit and was safe in a close play at third after a daring sprint from first on a base hit later in the game....a fine mist was present throughout the entire game but the exceptional Ebersol turf held up well...it was another grand night for James Arredondo as he smashed his second grand slam of the season....Arredondo has a team high in HR with 5 and RBI with 23...he also became the first Bison to 20 hits this season...James "High Steppin" Turnbull had his finest night as a Bison going 5 for 5 with 4 RS and 2 RBI....Matt Norian filled in nicely in the lead-off spot with a 2 for 4 night, a triple and 3 RS...Matt hit the ball hard each time at bat...the Bisons return to the Common with first place on the line next Monday night against Parsons Brinckerhoff
