Game Notes...Yet another Motor Pool regular season is in the books after the Bisons clinched first place with an easy 20-11 win over the Dark Horses at Ebersol Field...with 31 hits last night the Bisons finished with an impressive team BA of .607 and a team slugging % of .924...Nine Bisons have now had 20H/20RBI/20 RS seasons after Paul Lamarre, Mike Roberts and James Arredondo accomplished the feat last night...Lamarre and Arredondo needed to score 1 run while Roberts needed 3 RS...Dan Theirl, Mike Roberts and John Roche each had 4 hits last night while James Arredondo, Paul Lamarre, James Turnbull and Ben Gunther had 3 hits apiece....a rarity in the top of the first when Paul Lamarre's SAC fly to deep left drove in 2 runs...and in the third when James Arredondo got credit for a SAC fly on a pop out to shortstop in shallow left field...a still ailing Matt Norian played the entire game but saw limited action in the field...Mike Roberts blasted his 2nd homer of the year in the top of the 7th to deep left center that looked like it had a chance to get onto Storow Drive but just missed after one hopping the fence...with his 4 RBI, Paul Lamarre finished with a team leading 29...James Arredondo led the team with 5 HR and Arredondo and Lamarre tied with 15 extra base hits....other team leaders...John Roche with 28 hits and .757 BA...Paul Lamarre 9 doubles, Lamarre and Roberts tied with 4 triples...Lamarre 22 runs scored and James Arredondo led the Bisons with a 1.385 slugging %...speaking of Lamarre, he had the final at bat for the '12 regular season and ended it in fashion by taking a called third strike....Maria Batista was the only Bison to play in all 9 games...thanks once again to Maria for all her contributions to the league this season and to Scott Brown for making sure thirsty Bisons were well taken care of...playoff schedule should be announced soon...still waiting to hear from city of Boston for more Common dates...the Renegades will play the winner of the Allston Rats and Maintenance game which is scheduled for this week
